

PREMIUM BLACK ANGUS BEEF™

U.S. 100% PURE BLACK ANGUS BEEF 美國天然純種黑安格斯牛

For years, Pure Black Angus has been known as the primal standard for premium beef: consistently tender and delicious. Angus cattle, black hided and without horns (polled), are a breed of cattle: specifically breed from the indigenous cattle of Aberdeenshire and Angus in Scotland and were brought to the United States in 1870' s. Pure Black Angus has a rich, high marble score and great tenderness that delivers a one-of-a-kind tasting experience!

一直以來，純種黑安格斯牛被公認為肉味、肉汁和嫩度最頂級的牛肉！純種黑安格斯牛全身披有純黑色的皮毛，短角，本源自蘇格蘭阿伯丁郡及安格斯，於1870年代引入美國。純種黑安格斯牛肉擁有豐富的油花，其軟嫩的肉質及香濃的肉味比一般安格斯牛肉更佳，帶來無與倫比的美食享受！
