

THE HOME OF FREE RANGE CHICKEN®

Waitoa®

Net Carbonzero Certified

紐西蘭天然走地雞

Waitoa free range means once fully-feathered, chickens can roam outside during the day. State of the art technology also monitors the birds' needs round the clock so if their access to water or feed is interrupted, or temperature is not at the optimal point, the team are instantly alerted. Care, innovation and a passion for the best practice poultry farming has seen Waitoa grow to be one of New Zealand's most successful free range providers.

Waitoa 的幼雞完全長毛後，就可以全日自由在戶外活動。Waitoa農場擁有全天候監控家禽的先進設備，如果水或飼料供應受損或溫度不佳，團隊會立刻收到警報及進行維修。懷著保育、人道、創新及實踐最佳養殖方式的熱誠，使 Waitoa 成為新西蘭其中最成功的走地雞供應商之一。
